RELATED PRODUCTS

STRENGTHS

3144 has the best 4 year average out of all of our products. Also it was 2nd in the ISU 2-year means for Southern IA. Growers keep coming back for this one.

WEAKNESSES

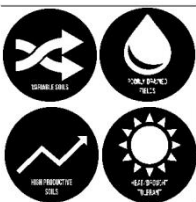

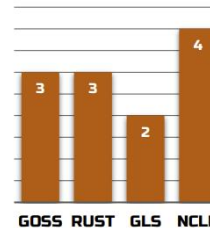

3144 has the tendency to collect diseases. Even with poor plant health 3144 produces anyway. This is a great one for fungicide.

AGRONOMIC

GDUs TO MID-SILK	1350
GDUs TO BLACK LAYER	2850
